REQUIRED NOTICE MATERIALS TO SUBMIT FOR PUBLIC NOTICE

ADJACENT PROPERTY OWNERS (APO) MAILING LIST

As part of your application, please submit the following materials to the Shoshone County Planning Administration.

ASSessor'S MAP(S) - The Section or Township map that shows your project parcel and all surrounding parcels that are within 300 feet of the boundaries of the subject parcel. If you, or your Agent, have ownership in any parcel that abuts a boundary of the project parcel, the 300 foot requirement has to be determined by beginning at the outermost boundary of your abutting parcel. Distinctly identify your project site by outlining or highlighting it in color.

You can obtain copies of the number of maps you need at the Assessor's Office, Shoshone County Courthouse. Depending on the location of your project, you may need more than one Section map: the Assessor's Office staff can assist you.

OWNER/ADDRESS LIST - Using the information from the Assessor's map(s), prepare a list of the names and addresses of the owners of the surrounding parcels that have been identified in the paragraph above (Note: Variance applications require notification of bordering property ownership's only. All other applications require notification of all property ownership's within 300 feet).

Adjacent Property Ownership information packages can be obtained from a Title Company. If you submit property ownership information obtained from a Title Company, it must bear the date of preparation. If you do your own research to obtain the ownership information from the Assessor's Office, please fill out the following affidavit and include this page along with the map materials that you are submitting to the Planning Administration.

"I hereby certify, under penalty of perjury, that the owner/address information submitted to the Planning Administration was researched at the Shoshone County Assessor's Office on ____________, 20___, and that it is true and correct to the best of my knowledge."

Applicant Signature ___________________________ Date of Affidavit ______________ Application File No. ________

MAILING LABELS - Submit one self-adhesive mailing label (approximately 3"x1") with the name and address typed or clearly printed in ink for:

- Each person identified under the Owner/Address List above, (Duplicate or multiple ownerships need only one label)
- The Owner, and
- The Owner's Representative/Engineer
- One set of mailing labels will be required for each public hearing.

MOST CURRENT INFORMATION - Dependent upon the length of time between submitting this information and the public hearing on your project, the Planning Department may request you to update the required hearing materials.
FINAL PLAT RECORDING PROCESS

MAJOR SUBDIVISION

Upon the Planning and Zoning Commission approval of your application request for preliminary plat for a major subdivision the next step is to have your final plat recorded which involves the following procedures:

1. All current property taxes must be paid in full. Contact Ellen Sauer, Treasurer, to confirm the status of property taxes. Phone: 752-1261

2. The Shoshone County surveyor/engineer will review your preliminary plat for approval. If any changes are required the planning and zoning office will notify you and your surveyor/engineer.

3. Once approved you will be contacted by the planning and zoning office. After notification of approval contact your surveyor/engineer to prepare the Final Plat. Include any conditions and/or restrictions that were applied by the Planning and Zoning Commission, along with all compliant items required under title 50, chapter 13 of the Idaho Code.

4. After your review is completed you will begin processing the final plat. This includes your notarized signature and Panhandle Health District sign-off.

5. Contact the planning and zoning office for an appointment for Review of Final Plat and to collect the final plat fee, county surveyor/engineer fee, advertising fee, and postage for mailing notices fee.

6. Once the final plat is processed the planning and zoning office will notify you, and you can record the Final Plat with the recorders office.

This Final Plat recording process may take up to twenty-one (21) days for completion after you have had your “Review of Final Plat” appointment with the Planning and Zoning Administrator.
