Nature & Description of Violation:

Shoshone County Code requires certain conditions to exist to be considered a violation. Which of the following conditions currently exist at or on the property?

A. Building, development, or encroachment in the designated floodway and/or below the high-water mark.

B. Setback encroachment(s).

C. Multiple dwellings on one parcel.

D. Site disturbance resulting in unmitigated erosion, hillside sloughing, or stormwater runoff; site disturbance in the Bunker Hill Overlay District

E. Nonconforming commercial use within a residential zone, outside the scope of home occupation.

G. Other. Refer to Title 9: Zoning Regulations of Shoshone County Code or visit:

https://shoshonecounty.id.gov/wp-content/uploads/2017/12/title_9_zoning_code.pdf

(This is a non-inclusive list. There is a separate form for nuisance complaints.)

Please provide a detailed description of the conditions currently in existence on the property at the time of filing of this complaint which place the property in violation of Shoshone County Zoning Code:

I hereby declare under penalty of perjury of the laws of the State of Idaho that the information contained in this complaint is true and accurate to the best of my information and belief.

DATED: _____ Signature: _____

Attach any extra sheets or photos if needed, and submit this form to: Shoshone P/Z, 700 Bank St, Suite 25, Wallace ID 83873, or email to: pz@co.shoshone.id.us.

Please note that active code violation investigations are closed to public examination.
