

Shoshone County  
Position Opening  
**Mechanic for Road District 3-Osburn Shop**

Shoshone County Public Works is currently accepting applications for the position of Mechanic for District 3. This job will be based out of our Osburn Shop. This position requires routine and preventative maintenance, and major repairs and overhauls on all department vehicles and equipment including light and medium duty trucks, snow plows, sanders, graders, loaders, crawler tractors, self-propelled rollers, backhoes, road broom, cranes and stationary equipment, and other equipment as required. May assist in the operation of light and heavy equipment in the district when needed, including snow removal, emergency, and other duties of the department.

Applicant must possess the following: CDL **(REQUIRED)**, High School Diploma or equivalent, two years college trade or vocational course work in mechanics, five years of experience in major repairs of a variety of gas and diesel-powered construction and automotive equipment, or an equivalent combination of training and experience. Applicant must pass a pre-employment drug test.

This is a full-time position with full benefits package that includes medical, dental, vision and PERSI retirement. Starting pay for Mechanic position is \$21.62 per hour with opportunities for advancement. Optional training program provided for Idaho Road Master and Road Scholar certification. Incentive provided upon completion of program(s).

The required application can be obtained from the Shoshone County Public Works office, and must be returned to our office located at 700 Bank Street, Suite 35, Wallace, ID. Please call 208-753-5475 with any questions. Shoshone County is an Equal Opportunity Employer.
